

Happy New Year to you all !

For those of you who had a well deserved break the weather was certainly a treat, to those who worked through the holiday period tirelessly thank you ever so much your efforts are well and truly appreciated – keep up the great work.

A number of staff have outstanding leave, if you would like to take a break while the weather is still warm please don't hesitate to complete a leave form and drop it in.

Training

The new year is a great time to get cracking on completing the training workbooks, it is a requisition of the organization that all staff members have completed training as directed, we will be making contact with those who have not completed their training to offer any type of support.

The new year also brings about some exciting opportunities in regards to training and in services – so watch this space !

Weekend Work Available

Weekend work is available for those who are interested please call your Co-ordinator and let them know you are interested in picking up more hours in the weekends.

Health and Safety

During the warmer weather, please remind your Clients to keep their fluid intake up, and likewise to you, working hard in the heat you may become dehydrated without realizing it.

Please ensure you are practicing good infection control, using gloves, regular handwashing, using aprons to shower, if you are unable to come into the centre to collect gloves please call the Receptionist and we can arrange to have them delivered.

Survey's

Thanks for the timely completion of the Careworker Survey the response has been tremendous and we appreciate your honesty and the time you took to complete the survey.
