

EBOP Post Polio Support Group Newsletter **April 2011**

The next meeting will be held at the RSA, Boon Street, Whakatane at noon on Wednesday 4 May 2011.

The June meeting is scheduled to be held at the Disabilities Resource Centre Trust on 1 June 2011.

Note from the Chairperson

At the last meeting, the group were able to see the presentation on Polio and Post Polio that Dale will be giving to the Rotary group next month.

It has come to our attention that there is to be a conference held in New Plymouth this year over the weekend of 12 – 14 August. We will advise of more details further down the track.

Marie Collins
Chairperson
EBOP Post Polio Support Group

Notes from the Liaison Officer

The Polio and Post Polio presentation is set to be given to the Whakatane West Rotary on 23 May 2011. We have advised that two members of the Post Polio support group wish to attend as well. Marie is organising this side of the presentation.

It appears there is to be a European Conference on Post Polio Syndrome to be held in Copenhagen August 31st to September 2nd. It is targeted at Professionals and Polio Survivors alike. If any are interested in attending the programme can be found on http://www.poliocconference.com/pdf/Program_at_a_glance.pdf.

A gentle reminder too, that its time to think about your flu vaccination.

Dale Hikuroa
Post Polio Liaison Officer.
